Index to Volume 27: Subject

A

Adaptation, psychological
Fathers' coping style, antenatal preparation, and experiences of labor and the postpartum (Greenhalgh et al). 177

Advocacy
Adding up 30 years of childbirth advocacy: What have we achieved? (Young). 1 (Editorial)
Childbirth advice literature as it relates to two childbearing ideologies (Pincus). 209 (Consumer viewpoint)

Analgesia, epidural
Epidural analgesia, intrapartum fever, and neonatal outcomes (Newton). 206 (In the literature)
Epidural labor analgesia and cesarean delivery (Halpern and Leighton). 74 (Letter)
Nulliparas and epidural analgesia (Walker). 75 (Letter)

Antenatal education; *see* **Childbirth education**

Asphyxia
Less than meets the eye: The consumer product safety commission's campaign against bed-sharing with babies (Grossman). 277 (In the literature)

Australia
Does team midwife care increase satisfaction with antenatal, intrapartum, and postpartum care? A randomized controlled trial (Waldenström et al). 156
Team midwifery care in a tertiary level obstetric service: A randomized controlled trial (Biró et al). 168

B

Backache
Sterile water injections relieve back pain of labor (Reynolds). 58 (In the literature)

Bed-sharing
Less than meets the eye: The consumer product safety commission's campaign against bed-sharing with babies (Grossman). 277 (In the literature)

Birth
Birth: Moving with the times, making an impact (Young). 77 (Editorial)

Birth outcome; *see* **Pregnancy outcome**

Blood banks
Umbilical cord blood collection, banking, and transplantation: Current status and issues relevant to perinatal caregivers (Smith and Thomson). 127

Book reviews
Breastfeeding the Newborn: Clinical Strategies for Nurses, by Biancuzzo (Hayes). 69
Cerebral Palsies: Epidemiology and Causal Pathways Clinics in Developmental Medicine No. 151, by Stanley et al (Liptak). 291
The Labor Progress Handbook: Early Interventions to Prevent and Treat Dystocia, by Simkin and Ancheta (Young). 148
Pregnancy to Parenthood: Your Personal Step-by-Step Journey Through the Childbirth Experience, by Goldberg et al (Predmore). 149
Reading Birth and Death: A History of Obstetric Thinking, by Murphy-Lawless (Cleeton). 291
The Thinking Woman's Guide to a Better Birth, by Goer (Simkin). 222
Your Amazing Newborn, by Klaus and Klaus (Roberts). 70

Breastfeeding
Breastfeeding duration in a multiethnic population in Hawaii (Novotny et al). 91
Breastfeeding rates in New Zealand (Guilliland). 224 (Letter)
The dilemma of postnatal mother-to-child transmission of HIV: To breastfeed or not? (Weinberg). 199
Resident physicians' knowledge of breastfeeding and infant growth (Guise and Freed). 49 (Research brief)

Breech presentation
Routine use of external cephalic version in three hospitals (Regalia et al). 19

C

Canada
Maternal mortality in the United States and Canada, 1982–1997 (Hoyert et al). 4
432 Somali women's birth experiences in Canada after earlier female genital mutilation (Chalmers and Hashi). 227

Case management
Women's perceptions of outcomes of prenatal case management (Issel). 120

Cesarean section
A blatant misuse of power? (DeMott). 264 (Commentary)
Cesarean delivery in Shantou, China: A retrospective analysis of 1922 women (Wu). 86
Cesarean section: A worldwide epidemic? (Flamm). 139 (In the literature)
Confrontation in Kansas City: Elective cesareans and maternal choice (Young). 153 (Editorial)
Declining trends in cesarean deliveries: Ohio 1989–1996: Analysis by indications (Koroukian and Rimm). 12
Epidural labor analgesia and cesarean delivery (Halpern and Leighton). 74 (Letter)
Routine use of external cephalic version in three hospitals (Regalia et al). 19
U.S. cesarean and VBAC rates stalled in the mid-1990s (Curtin et al). 54 (Research brief)
U.S. obstetric procedures, 1998 (Curtin and Mathews). 136
Women's request for a cesarean section: A critique of the literature (Gamble and Creedy). 256

Childbirth education
Childbirth advice literature as it relates to two childbearing ideologies (Pincus). 209 (Consumer viewpoint)
Fathers' coping style, antenatal preparation, and experiences of labor and the postpartum (Greenhalgh et al). 177

China
Cesarean delivery in Shantou, China: A retrospective analysis of 1922 women (Wu). 86

Consumer Product Safety Commission
Less than meets the eye: The Consumer Product Safety Commission's campaign against bed-sharing with babies (Grossman). 277 (In the literature)

Continuity of patient care
Continuity of caregivers for care during pregnancy and childbirth (Hodnett). 218 (Selected Cochrane systematic review)
Does team midwife care increase satisfaction with antenatal, intrapartum, and postpartum care? A randomized controlled trial (Waldenström et al). 156
Have we yet learned about the effects of continuity of midwifery care? (Kaufman). 174 (Commentary)
Single room maternity care and client satisfaction (Janssen et al). 235
Team midwifery care in a tertiary level obstetric service: A randomized controlled trial (Biró et al). 168

Cord blood; *see* **Fetal blood**

D

Delivery, methods
A blatant misuse of power? (DeMott). 264 (Commentary)
Cesarean delivery in Shantou, China: A retrospective analysis of 1922 women (Wu). 86
Cesarean section: A worldwide epidemic? (Flamm). 139 (In the literature)
Declining trends in cesarean deliveries: Ohio 1989–1996: Analysis by indications (Koroukian and Rimm). 12
Sheila Kitzinger's letter from Europe: Waterbirth debate up-to-date (Kitzinger). 214
Soft versus rigid vacuum extractor cups for assisted vaginal delivery (Johanson and Menon). 65 (Selected Cochrane systematic review)
U.S. cesarean and VBAC rates stalled in the mid-1990s (Curtin et al). 54 (Research brief)
U.S. obstetric procedures, 1998 (Curtin and Mathews). 136
Vacuum extraction versus forceps for assisted vaginal delivery (Johanson and Menon). 64 (Selected Cochrane systematic review)
Women's request for a cesarean section: A critique of the literature (Gamble and Creedy). 256

Delivery, psychology
Childbirth and the development of acute trauma symptoms: Incidence and contributing factors (Creedy et al). 104

Disease transmission
The dilemma of postnatal mother-to-child transmission of HIV: To breastfeed or not? (Weinberg). 199

E

Elective surgery
A blatant misuse of power? (DeMott). 264 (Commentary)
Confrontation in Kansas City: Elective cesareans and maternal choice (Young). 153 (Editorial)
Women's request for a cesarean section: A critique of the literature (Gamble and Creedy). 256

Epidural analgesia; *see* **Analgesia, epidural**

Ethics
Ethical conflicts or political problems in intrapartum nursing care? (Peter). 46 (Commentary)
Intrapartum nursing care: A case study of supportive interventions and ethical conflicts (Sleutel). 38

Ethnic factors
Breastfeeding duration in a multiethnic population in Hawaii (Novotny et al). 91
432 Somali women's birth experiences in Canada after earlier female genital mutilation (Chalmers and Hashi). 227
Japanese couples' childbirth experiences in Michigan: Implications for care (Yeo et al). 191
External cephalic version
Routine use of external cephalic version in three hospitals (Regalia et al). 19

F
Fathers
Fathers' coping style, antenatal preparation, and experiences of labor and the postpartum (Greenhalgh et al). 177
Fetal blood
Umbilical cord blood collection, banking, and transplantation: Current status and issues relevant to perinatal caregivers (Smith and Thomson). 127
Fetal death
Pregnancy outcome after previous stillbirth resulting from causes other than maternal conditions and fetal abnormalities (Heinonen and Kirkinen). 33
Fever
Epidural analgesia, intrapartum fever, and neonatal outcomes (Newton). 206 (In the literature)
Forceps
U.S. obstetric procedures, 1998 (Curtin and Mathews). 136
Vacuum extraction versus forceps for assisted vaginal delivery (Johanson and Menon). 64 (Selected Cochrane systematic review)

G
Genital mutilation
432 Somali women's birth experiences in Canada after earlier female genital mutilation (Chalmers and Hashi). 227

H
Hawaii
Breastfeeding duration in a multiethnic population in Hawaii (Novotny et al). 91
HIV
The dilemma of postnatal mother-to-child transmission of HIV: To breastfeed or not? (Weinberg). 199
Home birth
Sheila Kitzinger's letter from Europe: Home birth matters (Kitzinger). 62
Human rights
Pregnant and imprisoned in the United States (Amnesty International). 266

I
Induction of labor; *see* **Labor, induced**
Infant, growth and development
Resident physicians' knowledge of breastfeeding and infant growth (Guise and Freed). 49 (Research brief)
Infant, low birthweight
Pregnancy outcome after previous stillbirth resulting from causes other than maternal conditions and fetal abnormalities (Heinonen and Kirkinen). 33
The relationship of maternal personality characteristics to birth outcomes and infant development (Schatz et al). 25
Infant, premature; *see* **Infant, low birthweight**
Internet
Birth: Moving with the times, making an impact (Young). 77 (Editorial)
Internship and residency
Resident physicians' knowledge of breastfeeding and infant growth (Guise and Freed). 49 (Research brief)
Italy
Routine use of external cephalic version in three hospitals (Regalia et al). 19

J
Japan
Japanese couples' childbirth experiences in Michigan: Implications for care (Yeo et al). 191
Jordan
Perinatal outcome in 41 sets of triplets in Jordan (Ziadeh). 185
Triplets: A challenge to the obstetric community worldwide (Keith and Oleszczuk). 189 (Commentary)

L
Labor
Caregiver support for women during childbirth (Hodnett). 217 (Selected Cochrane systematic review)
Continuity of caregivers for care during pregnancy and childbirth (Hodnett). 218 (Selected Cochrane systematic review)
Does team midwife care increase satisfaction with antenatal, intrapartum, and postpartum care? A randomized controlled trial (Waldenström et al). 156
Epidural analgesia, intrapartum fever, and neonatal outcomes (Newton). 206 (In the literature)
Epidural labor analgesia and cesarean delivery (Halpern and Leighton). 74 (Letter)
Ethical conflicts or political problems in intrapartum nursing care? (Peter). 46 (Commentary)
Fathers' coping style, antenatal preparation, and experiences of labor and the postpartum (Greenhalgh et al). 177
Have we yet learned about the effects of continuity of midwifery care? (Kaufman). 174 (Commentary)
Intrapartum nursing care: A case study of supportive interventions and ethical conflicts (Sleutel). 38
The meaning of labor pain (Simkin). 254 (Commentary)
Memory for labor pain: A review of the literature (Niven and Murphy-Black). 244
Nulliparas and epidural analgesia (Walker). 75 (Letter)
Single room maternity care and client satisfaction (Janssen et al). 235
Sterile water injections relieve back pain of labor (Reynolds). 58 (In the literature)
Team midwifery care in a tertiary level obstetric service: A randomized controlled trial (Biró et al). 168
Using music during childbirth (Browning). 272 (Research brief)
Labor, induced
Misoprostol and uterine rupture (Goer). 224 (Letter)
Oral misoprostol for induction of labour with a viable fetus (Alfirevic et al). 286 (Selected Cochrane systematic review)
U.S. obstetric procedures, 1998 (Curtin and Mathews). 136
Lacerations
Absorbable synthetic versus catgut suture material for perineal repair (Kettle and Johanson). 144 (Selected Cochrane systematic review)
Is it necessary to suture all lacerations after a vaginal delivery? (Lundquist et al). 79

M
Maternal choice
A blatant misuse of power? (DeMott). 264 (Commentary)
Confrontation in Kansas City: Elective cesareans and maternal choice (Young). 153 (Editorial)
Women's request for a cesarean section: A critique of the literature (Gamble and Creedy). 256
Maternal mortality
Maternal mortality in the United States and Canada, 1982–1997 (Hoyert et al). 4
Maternal Social Support Scale
Assessing women's well-being and social and emotional needs in pregnancy and the postpartum period (Richards). 102 (Commentary)
Measuring social support in pregnancy: Can it be simple *and* meaningful? (Webster et al). 97
Media reviews; *see* **Book reviews; Software review; Video reviews**
Memory
The meaning of labor pain (Simkin). 254 (Commentary)
Memory for labor pain: A review of the literature (Niven and Murphy-Black). 244
Midwifery
Adding up 30 years of childbirth advocacy: What have we achieved? (Young). 1 (Editorial)
Childbirth advice literature as it relates to two childbearing ideologies (Pincus). 209 (Consumer viewpoint)
Does team midwife care increase satisfaction with antenatal, intrapartum, and postpartum care? A randomized controlled trial (Waldenström et al). 156
Have we yet learned about the effects of continuity of midwifery care? (Kaufman). 174 (Commentary)
Team midwifery care in a tertiary level obstetric service: A randomized controlled trial (Biró et al). 168
Minnesota Multiphasic Personality Inventory
The relationship of maternal personality characteristics to birth outcomes and infant development (Schatz et al). 25
Misoprostol
Misoprostol and uterine rupture (Goer). 224 (Letter)
Oral misoprostol for induction of labour with a viable fetus (Alfirevic et al). 286 (Selected Cochrane systematic review)
Mortality; *see* **Maternal mortality**
Mother-child relations
Partner support and pregnancy wantedness (Kroelinger and Oths). 112
Music
Using music during childbirth (Browning). 272 (Research brief)

N
New Zealand
Breastfeeding rates in New Zealand (Guilliland). 224 (Letter)

Nursing care
Ethical conflicts or political problems in intrapartum nursing care? (Peter). 46 (Commentary)
Intrapartum nursing care: A case study of supportive interventions and ethical conflicts (Sleutel). 38

O
Obstetrical caregiver
Looking for an obstetrical caregiver in the United States: One woman's experience (Ronn). 141 (Consumer viewpoint)
Looking for an obstetrical caregiver (Longenecker) (Letter); (Ronn) (Reply). 294

P
Pain
The meaning of labor pain (Simkin). 254 (Commentary)
Memory for labor pain: A review of the literature (Niven and Murphy-Black). 244
Sterile water injections relieve back pain of labor (Reynolds). 58 (In the literature)
Using music during childbirth (Browning). 272 (Research brief)
Patient advocacy; *see* Advocacy
Patient satisfaction
Does team midwife care increase satisfaction with antenatal, intrapartum, and postpartum care? A randomized controlled trial (Waldenström et al). 156
Have we yet learned about the effects of continuity of midwifery care? (Kaufman). 174 (Commentary)
Single room maternity care and client satisfaction (Janssen et al). 235
Team midwifery care in a tertiary level obstetric service: A randomized controlled trial (Biró et al). 168
Perineum
Absorbable synthetic versus catgut suture material for perineal repair (Kettle and Johanson). 144 (Selected Cochrane systematic review)
Is it necessary to suture all lacerations after a vaginal delivery? (Lundquist et al). 79
Personality
The relationship of maternal personality characteristics to birth outcomes and infant development (Schatz et al). 25
Politics
Ethical conflicts or political problems in intrapartum nursing care? (Peter). 46 (Commentary)
Intrapartum nursing care: A case study of supportive interventions and ethical conflicts (Sleutel). 38
Postpartum period
Continuity of caregivers for care during pregnancy and childbirth (Hodnett). 218 (Selected Cochrane systematic review)
Does team midwife care increase satisfaction with antenatal, intrapartum, and postpartum care? A randomized controlled trial (Waldenström et al). 156
Fathers' coping style, antenatal preparation, and experiences of labor and the postpartum (Greenhalgh et al). 177
Have we yet learned about the effects of continuity of midwifery care? (Kaufman). 174 (Commentary)
Single room maternity care and client satisfaction (Janssen et al). 235
Team midwifery care in a tertiary level obstetric service: A randomized controlled trial (Biró et al). 168
Pregnancy, psychology
Assessing women's well-being and social and emotional needs in pregnancy and the postpartum period (Richards). 102 (Commentary)
Measuring social support in pregnancy: Can it be simple *and* meaningful? (Webster et al). 97
Partner support and pregnancy wantedness (Kroelinger and Oths). 112
Pregnancy outcome
Epidural analgesia, intrapartum fever, and neonatal outcomes (Newton). 206 (In the literature)
Partner support and pregnancy wantedness (Kroelinger and Oths). 112
Perinatal outcome in 41 sets of triplets in Jordan (Ziadeh). 185
Pregnancy outcome after previous stillbirth resulting from causes other than maternal conditions and fetal abnormalities (Heinonen and Kirkinen). 33
The relationship of maternal personality characteristics to birth outcomes and infant development (Schatz et al). 25
Triplets: A challenge to the obstetric community worldwide (Keith and Oleszczuk). 189 (Commentary)
Prenatal care
Assessing women's well-being and social and emotional needs in pregnancy and the postpartum period (Richards). 102 (Commentary)
Continuity of caregivers for care during pregnancy and childbirth (Hodnett). 218 (Selected Cochrane systematic review)
Does team midwife care increase satisfaction with antenatal, intrapartum, and postpartum care? A randomized controlled trial (Waldenström et al). 156
Fathers' coping style, antenatal preparation, and experiences of labor and the postpartum (Greenhalgh et al). 177
Have we yet learned about the effects of continuity of midwifery care? (Kaufman). 174 (Commentary)
Looking for an obstetrical caregiver in the United States: One woman's experience (Ronn). 141 (Consumer viewpoint)
Looking for an obstetrical caregiver (Longenecker) (Letter); (Ronn) (Reply). 294
Measuring social support in pregnancy: Can it be simple *and* meaningful? (Webster et al). 97
Team midwifery care in a tertiary level obstetric service: A randomized controlled trial (Biró et al). 168
Women's perceptions of outcomes of prenatal case management (Issel). 120
Prisoners
Pregnant and imprisoned in the United States (Amnesty International). 266

R
Randomized controlled trials
Challenges for birth-related research (Hodges). 281 (Consumer viewpoint)
Research
Challenges for birth-related research (Hodges). 281 (Consumer viewpoint)
Residency; *see* Internship and residency
Restraint, physical
Pregnant and imprisoned in the United States (Amnesty International). 266

S
Safety
Less than meets the eye: The Consumer Product Safety Commission's campaign against bed-sharing with babies (Grossman). 277 (In the literature)
Satisfaction; *see* Patient satisfaction
Scientific method
Challenges for birth-related research (Hodges). 281 (Consumer viewpoint)
SIDS; *see* Sudden Infant Death Syndrome
Single room maternity care; *see* Continuity of patient care
Sleep
Less than meets the eye: The Consumer Product Safety Commission's campaign against bed-sharing with babies (Grossman). 277 (In the literature)
Social support
Assessing women's well-being and social and emotional needs in pregnancy and the postpartum period (Richards). 102 (Commentary)
Caregiver support for women during childbirth (Hodnett). 217 (Selected Cochrane systematic review)
Measuring social support in pregnancy: Can it be simple *and* meaningful? (Webster et al). 97
Partner support and pregnancy wantedness (Kroelinger and Oths). 112
Software review
Physical Examination of the Newborn, by Colditz (Colson). 293
Somalia
432 Somali women's birth experiences in Canada after earlier female genital mutilation (Chalmers and Hashi). 227
Stillbirth; *see* Fetal death
Stress disorders, post-traumatic
Childbirth and the development of acute trauma symptoms: Incidence and contributing factors (Creedy et al). 104
Sudden Infant Death Syndrome
Less than meets the eye: The consumer product safety commission's campaign against bed-sharing with babies (Grossman). 277 (In the literature)
Support; *see* Social support
Sutures
Absorbable synthetic versus catgut suture material for perineal repair (Kettle and Johanson). 144 (Selected Cochrane systematic review)
Is it necessary to suture all lacerations after a vaginal delivery? (Lundquist et al). 79

T
Technology
Adding up 30 years of childbirth advocacy: What have we achieved? (Young). 1 (Editorial)
Transplantation
Umbilical cord blood collection, banking, and transplantation: Current status and issues relevant to perinatal caregivers (Smith and Thomson). 127
Trauma, childbirth
Childbirth and the development of acute trauma symptoms: Incidence and contributing factors (Creedy et al). 104
Triplets
Perinatal outcome in 41 sets of triplets in Jordan (Ziadeh). 185
Triplets: A challenge to the obstetric community worldwide (Keith and Oleszczuk). 189 (Commentary)

U
Umbilical cord blood; *see* **Fetal blood**
Uterine rupture
Misoprostol and uterine rupture (Goer). 224 (Letter)

V
Vacuum extraction
Soft versus rigid vacuum extractor cups for assisted vaginal delivery (Johanson and Menon). 65 (Selected Cochrane systematic review)
U.S. obstetric procedures, 1998 (Curtin and Mathews). 136
Vacuum extraction versus forceps for assisted vaginal delivery (Johanson and Menon). 64 (Selected Cochrane systematic review)
Vaginal birth after cesarean
U.S. cesarean and VBAC rates stalled in the mid-1990s (Curtin et al). 54 (Research brief)
U.S. obstetric procedures, 1998 (Curtin and Mathews). 136
Version, fetal
Routine use of external cephalic version in three hospitals (Regalia et al). 19
Video reviews
Amazing Talents of the Newborn, by Johnson & Johnson Pediatric Institute (Roberts). 71
The Clinical Management of Breastfeeding for Health Professionals, by Vida Health Communications and Association of Women's Health, Obstetric and Neonatal Nurses (Howard). 223
The Stages of Labor: A Visual Guide, by Injoy Productions (Young). 72

W
Water
Sheila Kitzinger's letter from Europe: Waterbirth debate up-to-date (Kitzinger). 214
Sterile water injections relieve back pain of labor (Reynolds). 58 (In the literature)
World Wide Web
Birth: Moving with the times, making an impact (Young). 77 (Editorial)
Wound healing
Is it necessary to suture all lacerations after a vaginal delivery? (Lundquist et al). 79
